

## [System Requirements of Tamaishiki Cloud System]

System requirements of Tamaishiki Cloud System shall be as follows.

As of 01/10/2017

Component	Requirement
Device / OS	Windows PC (Microsoft Windows VISTA, Windows 7, 8, 8.1, 10)
	iPad (higher than iOS 9)
Browser	Microsoft Internet Explorer 11
	Firefox 56
	For iOS, the default browser (Safari) is recommended.
Required software	Latest version of Adobe Flash Player is recommended. (If you use a PC.)
Display	SXGA (screen resolution 1280×1024 pixels) or higher
Internet	Fiber connection (always-on connection) is recommended.
	For iPad, we recommend that you use Wi-Fi or 4G (LTE). *
	*Videos may buffer or load slowly if you use 3G connection.

### <Notes>

The above shows the system requirements to ensure that all the customers can use Tamaishiki Cloud Learning Program smoothly.

If your computer does not meet the system requirements, it may not function properly.

Therefore, we kindly request you to use our program under the system requirements mentioned above.
